

Attentive Service

Chorus Call Teams around the Globe are ready to Assist

Chorus Call works hard to ensure our clients receive the highest possible standard of service using a **team model**, both globally and locally.

Being able to obtain a speedy response is important, yet no individual account representative can possibly be ready to respond at any time, all the time. That is why Chorus Call has structured teams and systems in such a way that you can always reach someone who will be able to assist you, or help you connect with someone who can assist you.

Follow the Sun is the name of our tag-team global process for ensuring our teleconferencing bridges have a Chorus Call operator available around the clock during the business week.

Simply **dial *0** when you are connected to the teleconference bridge and an operator will respond to your request for assistance.

[Contact us](#) or Call us at **+41 (0) 91 612 43 00** whenever you need to reach the Chorus Call Switzerland team with a time sensitive question or request.

If your account executive isn't immediately available to respond, another member of the team will step in to ensure your needs are addressed. On day-to-day matters, feel free to contact your Account Executive directly by email or phone.

If at any time you have questions, please do not hesitate to contact us.

We are happy to assist!
