

# Planning an Event Call?

## Relax and Focus on your Message, your Executive & your Audience

When you're holding a conference call and inviting a larger group of participants to hear a presentation, you want everything to go as smoothly as possible. Whether it is a news conference, an employee town hall, a corporate quarterly earnings call, annual general meeting or a hastily planned special announcement, Chorus Call will expertly host your conference call and moderate your question-and-answer session.
